

Visit the beautifully restored Victorian house at the bottom of Alphen Hill and discover one of nature's wonder plants: industrial hemp. Hemporium and Parks Café showcase the multitude of uses of this truly eco-friendly sustainable resource. At Hemporium you will find clothing, cosmetics, accessories and food products made from hemp. And this theme continues at Parks Café with hemp upholstery, paper menus and hemp seeds and oil in several of the delicious menu items.

Open Mon-Fri 8.30-4.30 and Sat 9-12.30
